

Phoenix Composting Toilet System Residential Prices

March • 2008

Shipping and Billing

Prices are freight-on-board at Whitefish, Montana, and are subject to change without notice. All Phoenixes come equipped with one toilet and a vent system and fan. Options are listed below.

Terms are prepaid or collect on delivery, unless special arrangements have been made. We ship freight collect. Or, units can be picked up at the factory. Always check for current rates prior to ordering. The pallet is 40 by 62 by 54 inches, and weighs less than 500 pounds (230 kilograms).
